

# Art – Colour

**Concept: Colour** – Understand the language of colour and can express ideas through this language.

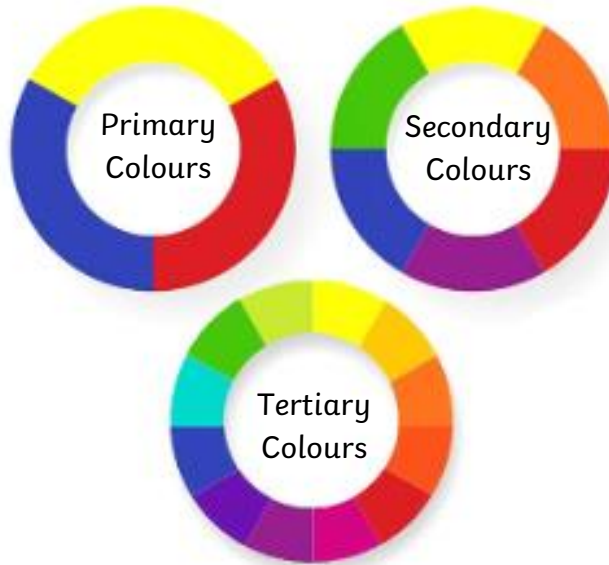

## Vocabulary

**shade:** adding black to a colour to darken it

**viscosity:** how runny the paint (or any liquid) is.

**complement:** to make something look even better when together

**abstract art:** artwork not trying to look 'real life'

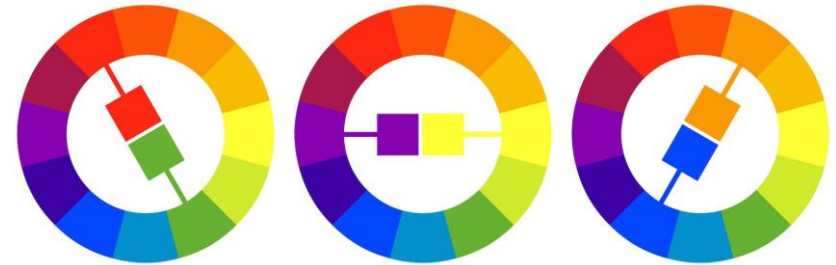

Adding small amounts of black to a colour will change the shade.

Jackson Pollock was an American artist who became incredibly famous for the way he used whole body movements to cover a canvas in paint through dripping, flicking and pouring

## Complementary colours

Complementary colours stand out against each other.
