Together in Adventure and Discovery

29th September 2023

A message from Mrs Ball...

This week, we launched our ambition to be recognised as a Rights Respecting School, supported by Unicef. We took the first step along our journey by sharing with the pupils what it means to 'have rights'. We will be sharing every step of our journey with the whole school community but please visit [The Rights Respecting Schools Award | UNICEF UK](#) for a comprehensive look at what being a Rights Respecting School entails.

The next step for us is to establish a 'steering group' to represent every stakeholder involved with pupils' education. We have pupils, staff members, governors and members of the wider community already on board. We wouldn't wish to proceed without parent representation. Therefore, if this is something that you are interested in and you would like to join our steering group, please let the office or Miss Spence know and we will be in touch with our first meeting date!

On Friday 20th October, we are looking forward to welcoming you all to Landulph Church for our Harvest celebration. Doors will open at 1.45pm, with a 2pm start. This year we will be making donations to the Saltash Food Bank. More information to follow next week.

Today is National Teaching Assistants' Day and I am sure you will all want to

join us in saying a massive THANKYOU to Mrs Plumb, Mrs Slateford, Mrs Truscott, Mrs Lloyd & Mrs Grainger. They are all such incredible people who will always go the extra mile. They are the glue that holds our Landulph family together.

Earlier this month you received an email about your child's Flu vaccination. Kernow Health is delivering the flu immunisation programme in Cornwall's schools. The email gives details and requires you to sign either to give permission or decline. Please submit your consent form by midday Tuesday 3rd October 2023 to ensure your child receives their vaccination. It will take place on Thursday 5th October 2023.

Class 1

Year 1 have been working very hard re-writing the story of the 3 little pigs. They produced some lovely neatly presented writing. The children accessed support systems such as red word lists and sound cards to help! Class 1 also enjoyed their Autumn Scavenger hunt, exploring the school field trying to find items on their list. We found a birds nest, spider web and acorns!

Class 2

Class 2's week has been jam packed as usual! Our topic centred around the River Tamar came to life - literally, as we examined water sample from the Tamar itself, searching for, and then identifying, invertebrates such as nymphs and the caseless caddis. Our story innovations were completed this week, we move on to informative, non fiction writing next week. In Geography, we marked key cities on a map of the UK, including Plymouth, Exeter and Bristol. Keep an eye out for information being sent today about a trip that we have booked to visit the Tamar Bridge just before half term.

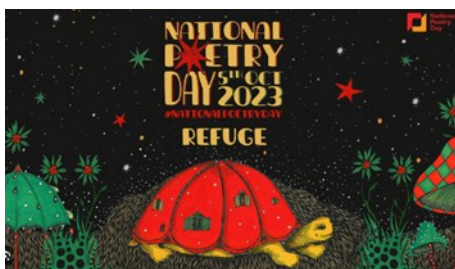

Class 3

In their class book, Kensuke's Kingdom, Michael gets washed up on an island. This week we have been putting our creativity to the test and writing our own versions, making sure we build suspense. In computing we have been using Scratch to make a game with our partners. We have also created a mosaic for the Landulph Festival Art Exhibition.

There are lots of opportunities to get involved in at the moment...

Next Thursday, 5th October, is National Poetry Day. A day to come together in celebration of spoken word and performance. Poetry can bring people together in many different ways and evoke a range of emotions. Each year, there is a specific theme for the day. This year, the theme is 'Refuge'. We invite children to let their creativity bloom and ideas flow by writing their own poems at home. They could fit with the theme of 'Refuge' or they could stand alone, inspired by whatever caught the interest of the poet. We would love to see/hear/watch any poems that our pupils create so please send in photos, videos or the written piece. We will be celebrating every poem shared with us in the following Friday's Celebration Assembly.

Remember: To earn your badge, just share your love of books with the Blue Peter team by following [the link here](#) and answering the questions on the form! You can apply using their online form or by post.

Come on Landulph, let's see how many Blue Peter book badge winners we can celebrate this year.

We are delighted to announce this year's Grandparents Lunch.

Save the date - 10th November 2023. More information will follow later!

500 Words, the UK's most successful children's writing competition has now opened for submissions and will run till Friday 10th November.

This year, the two age categories will be **5-7 year-olds** and **8-11 year-olds**. Children of all abilities are encouraged to use their creativity and imagination to **write a story they would love to read** without the pressure of having to worry about spelling, punctuation and grammar.

They want children to have fun writing their stories, be as creative as they can and make us laugh, cry or just be blown away by what we are reading. Over the years there have been incredible stories submitted. There are very few rules on 500 Words but a few points to remember:

All the stories **must**:

Be 500 words or less (title is not included in the number)

Be written by an individual and not a group

Be a child's own original idea

Be prose, not rap or poem

Reminders...

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6), Numbots (Y1) and Spelling Shed (Y2-6).

These are great programmes that we invest in as a school to support learning at home. If your child has forgotten their log in details then please email Cathy.

P.E. Days

On PE days your child needs to come to school in their PE kit.

Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Wellies & Waterproofs

As the weather seems to be turning very autumnal, can you send your child to school each day with NAMED wellies (they can stay in school if you have a spare pair) and a waterproof jacket. We try to get outside as often as possible even when the weather is not in our favour.

I know parking can be very challenging in the mornings at drop off and collection times, but please be respectful of our neighbours and do not block entrances to properties even if you think it will only be for a few moments.

Happy Birthday to those who are celebrating their birthdays this month, we hope you enjoy your special day.
