Class 1

Class 1 have been busy this week! We started off with early morning work where we discussed what we can see, hear, feel and smell. In Geography, we have been drawing and labelling maps of our local area, and producing some great artwork. We also had a very interactive Science experiment where we tested out which materials kept us dry so we could design an umbrella for our teddy.

Class 2

Early this week, Class 2 began building the bridges that they have been carefully designing in DT over the last few weeks. Their structure will be tested to hold a tin of beans next week! We were very fortunate to have another visitor this week, sharing their expertise in the Sciences. Mr Wiltshire helped Lower Key Stage 2 to recognise the 3 different types of rock and how they are formed. He kindly brought in lots of hands on resources, including rocks that were up to 400 million years old!! Excitingly, we also got to watch an explosion in one of the quarries that he works with, inspiring a range of questions about explosives. Our writing has meandered into factual river writing this week. We are producing information texts about the River Tamar. For National Poetry Day, we wrote an acrostic poem for the Tamar which helped us to consider all of the things the River Tamar brings to our lives. We now have enough support to supervise our trip on 16th October. Thank you to everyone who has volunteered their time.

Class 3

In class 3 we have been rocking out as we performed our own version of Livin' on a Prayer! We had an orchestra of numerous instruments and sang our hearts out. We have also been practicing our spellings in a variety of interesting places and looking at travel guides and the language they employ. In maths we have been learning how to multiply using a variety of written methods and in PE we have been progressing our passing skills in both hockey and basketball. We have started our grand masterpiece of a seascape in art.

MACMILLAN CANCER SUPPORT

Please consider donating a cake and kindly drop it off at the school office. Thank you!

Wednesday 11th October
1.30pm-3pm

We would like to invite parents, grandparents and our neighbours to join us for coffee and cake on Wednesday afternoon, to raise money for Macmillan Cancer Support.

All donations of cakes would be gratefully received.

Everyone's invited, we hope to see you there.

Happy
World Teachers' Day!

Yesterday was World Teachers' Day. Thank you to our wonderful teachers for everything they do to help our pupils be their personal best.

They are enthusiastic, hardworking and committed to always going the extra mile.

We are very lucky at Landulph to have such a dedicated team of staff.

A HUGE Landulph welcome to Max, Tom, Keira and (welcome back) Coen. It is great to have you all joining the Landulph family.

500 Words, the UK's most successful children's writing competition has now opened for submissions and will run till Friday 10th November.

This year, the two age categories will be **5-7 year-olds** and **8-11 year-olds**. Children of all abilities are encouraged to use their creativity and imagination to **write a story they would love to read** without the pressure of having to worry about spelling, punctuation and grammar.

They want children to have fun writing their stories, be as creative as they can and make us laugh, cry or just be blown away by what we are reading. Over the years there have been incredible stories submitted. There are very few rules on 500 Words but a few points to remember:

All the stories **must**:

Be 500 words or less (title is not included in the number)

Be written by an individual and not a group

Be a child's own original idea

Be prose, not rap or poem

Reminders...

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6), Numbots (Y1) and Spelling Shed (Y2-6).

These are great programmes that we invest in as a school to support learning at home. If your child has forgotten their log in details then please email Cathy.

P.E. Days

On PE days your child needs to come to school in their PE kit.

Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their **school jumper**.
