## Together in Adventure and Discovery

20th October 2023

A message from Mrs Ball...

Wow, what a wonderful afternoon at Landulph Church celebrating Harvest. The children have worked extremely hard to learn all the songs and their lines. I am sure you will all agree with me, that they were fantastic, we are so proud of each and every one of them. It was lovely having so many families coming to join us too.

Thank you to Sally, for teaching us some great songs to perform to you all today and to Russ from Saltash Red Bus for kindly driving us all to and from the Church. Also, to Rev. Olly, Landulph Church is a very special place which we are privileged to be able to use.

And finally, THANK YOU to all of you for all of your kind donations to Saltash foodbank, they will certainly make a big difference when someone finds themselves in challenging times.

**Wishing you all a restful, happy and safe half-term holiday. We look forward to seeing the children back in school on Tuesday 31<sup>st</sup> October 2023.**

# Celebrating our learning...

## Class 1

Our focus this week has been on learning our number bonds to 10. "Who loves who?" For example, 1 loves 9, 2 loves 8. The children showed some great understanding. For design technology, Class 1 have been designing our own magical landscapes using a grid. We've added castles, carriages, roads, forests and villages.

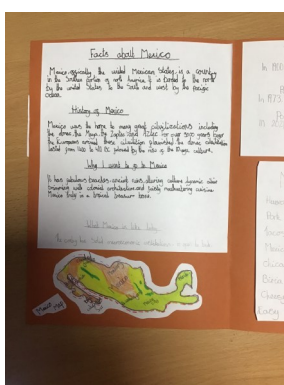

## Class 2

We have had such a wonderful half term in Class 2. It has been lovely to learn more about our local environment and The River Tamar with it being right on our doorstep! We have been so fortunate to have some wonderful expert visitors and speakers to learn from including Anna and Helen from the Westcountry Rivers Trust, Mr Wiltshire sharing his expertise on rocks and quarry explosions, Mark from the Tamar Bridge visitor centre and Mrs Butlin teaching us music. Thank you for all parental support given over the last 7 weeks, including sharing homework, reading and encouraging times table and spelling practise. I hope everyone has a fantastic week over half term and look forward to an action packed Autumn 2!

## Class 3

This week we have finished our geography projects, written some fantastic travel guides and tackled short and long division. We have also enjoyed using Kahoot to test our science knowledge and conducted some experiments to see how we could separate solutions. In PE we had a basketball tournament which was fiercely (but fairly) fought for and we have completed our seascape artworks that incorporate a range of styles.

The centenary celebrations are to be held between now and the end of the summer term 2023, we hope they will give members of our school community old and new, the opportunity to come together and celebrate the first 100 years of Landulph School.

The launch event will be on Friday 17<sup>th</sup> November 2pm-5:30pm, we would like to invite you all to join us for refreshments, time to share memories, look at old photographs and of course tours of the school.

There will then be a selection of other events throughout the year (more details to follow), culminating in a Summer Fayre/School Reunion on Saturday 13<sup>th</sup> July. So, save the date, spread the word and we would love to be able to welcome as many ex pupils, staff and families to join our celebrations.

If you have any old photographs of the school or school events and would be willing to let us borrow or photocopy, we would like to make a photo gallery to share across the year. So it is time to get rummaging in the loft and dusting off your old school photos.

Happy Birthday to those who are celebrating their birthdays this month, we hope you enjoy your special day.

500 Words, the UK's most successful children's writing competition has now opened for submissions and

will run till Friday 10th November.

This year, the two age categories will be **5-7 year-olds** and **8-11 year-olds**. Children of all abilities are encouraged to use their creativity and imagination to **write a story they would love to read** without the pressure of having to worry about spelling, punctuation and grammar.

They want children to have fun writing their stories, be as creative as they can and make us laugh, cry or just be blown away by what we are reading. Over the years there have been incredible stories submitted. There are very few rules on 500 Words but a few points to remember:

All the stories **must**:

**Be 500 words or less** (title is not included in the number)

Be written by an individual and not a group

Be a child's own original idea

Be prose, not rap or poem

We are really looking forward to welcoming our Grandparents for lunch on the 10<sup>th</sup> November.

For those that have already put their names down, please ensure you make payment on Parent Pay now.

If you are interested in a place, please contact Cathy to be added to the waitlist for a reserved date.

# Reminders. . .

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6), Numbots (Y1) and Spelling Shed (Y2-6).

### Cross Country Report from Mr Finnimore

On a rainy and windswept Friday afternoon, our hardy cross-country team (and their dutiful parents) made the arduous trek along traffic-jammed and mud-strewn roads to Great Trethew for the first cross-country competition of the season. The course was a muddy bog from the outset and as the afternoon wore on, the conditions did nothing but worsen. The route took the children from the relative flat land of the starting pen, up a steep hill across a field, before looping back and descending a slope that closely resembled a slip-and-slide at the carnival. Elowen was our sole representative in the first race and she battled bravely against the terrain and elements before finishing with a smile on her face.

Due to the traffic jams, Freddie sadly missed his race, but was permitted to take part in the 5/6 boys race and thoroughly enjoyed his lap.

In the 5/6 girls race we had Isabelle, Skyla, Harriet, Ruby, Tia and Megan representing the school – something which they all did admirably and all finished in very respectable places and covered in healthy quantities of mud. Megan and Tia did particularly well, finishing in 7<sup>th</sup> and 23<sup>rd</sup> places respectively. The final race of the day was left for Daniel to make his mark. A consummate crowd-pleaser, Daniel perfected his waves and points to the spectators and received a massive cheer whenever he was in eye-shot. He finished strongly, powering over the line and gratefully accepted the option not to run anymore – for a little while at least. A big well done to all of our competitors who represented the school with athleticism, dignity and great sportsmanship.

### Netball Report from Miss Spence

We are so very proud of our netball team for taking part in their first fixture this week. It was the first competitive inter-school game that any of them had ever played and they represented the school brilliantly. We even received an email from the opposing team's coach congratulating our team saying "Considering your team have only been playing a few weeks, they were amazing and improved every quarter. Your children's sportsmanship was exceptional and are a real credit to your school".
