A message from Mrs Ball...

And just like that, we are a week away from the start of December and things will start to get a lot more Christmassy! The singing has started, the lines are being practised – that must mean it is not long until our Christmas performance 😊

Tuesday 12th December – 9.30am

Look out for an email early next week with booking details for performances and information on costumes.

If you are reading our newsletter as part of our local community, the children are very excited to welcome you to a special Community Performance on Friday 8th December at 9.30am

Please call the school office on 01752 845572, email secretary@landulph.cornwall.sch.uk or pop into the office to reserve your seat. Donations on the door.

Back to school

If your child or someone you know has a child who is due to start school in September, why not come and visit us at Landulph. We would love to show you around our school and share all of the amazing things we can offer your child.

Online applications can now be made for a place in next year's Foundation intake for children born between 1 September 2019 and 31 August 2020. Apply online at www.cornwall.gov.uk/admissions. The deadline for applications is the 15th January 2024.

Road Safety Week

As part of road safety week, we had a visit from A/PS Dan Lewis and PC Martin Cummings. They spoke to the children about how to keep safe when crossing roads, especially if there are no paths or if there are driveways, large lorries and tractors. They reminded them to give the road their full attention and not be distracted. Also, to stay close to their parents when they are out walking, scooting or cycling.

They also talked to the children about the importance of wearing seatbelts, Hi-Viz clothing and to remind their parents about the 20mph zone leading up to school.

Celebrating our learning...

Class 1

The Foundation children have loved learning about circles, triangles and four sided shapes. They went on a shape hunt to find these shapes around the school, they couldn't believe how many shapes they have found!

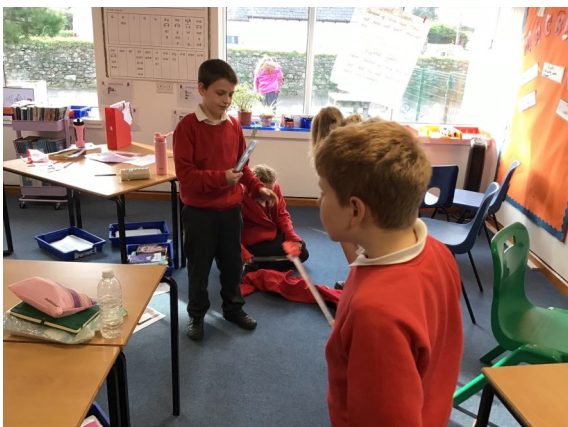

Class 2

Even in a shorter week, Class 2 have still fit in a lot! We have used a number of different strategies to solve addition calculations. We are beginning to recognise that different sorts of calculations will require a different method and that we will all have our own preference in which seems most logical. We have been very fortunate this week as we hired a loan box from 'The Box' in Plymouth. It contained a range of artefacts from The Stone Age that we could examine close up. We hypothesised what they were probably used for based on our increasing knowledge of Stone Age life. We have started to learn poems and songs for our Christmas performance which, I'm sure will soon be stuck in everyone's heads at home too!

Class 3

Class 3 have written lots of descriptive passages and have begun to plan their final written piece. We have started to find fractions of amounts in Maths and in science have compared geocentric and heliocentric models of the Solar system and explored how light refracts when moving through different materials.

Reminders. . .

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6), Numbots (Y1) and Spelling Shed (Y2-6).

These are great programmes that we invest in as a school to support learning at home. If your child has forgotten their log in details then please email Cathy.

Breakfast Club and Little Owls

Wraparound care open to all on every day we are open! Mrs Plumb, Mrs Slateford and Mrs Glancy would love to see you! Breakfast club is organised by Mrs Plumb, and this opens for all pupils from 7.45am on all days that children are in school.
