Together in Adventure and Discovery

26th April 2024

A message from Mrs Ball...

In assembly on Monday our focus was Earth Day, which has been celebrated on the 22nd April annually since 1970. There were lots of really important discussions about how we can better look after our planet.

The theme this year is: **Planet Vs Plastics**

Around the world, plastics are used in a wide range of things. However, the use of plastics is having a negative effect on our planet. It is important to reduce the amount of plastics we use, one of the areas we focused on was single-use plastics.

Our reflection at the end of assembly was ...What can I do to help? It would be great if you can continue this conversation at home and think about changes you could make as a family.

We are looking forward to welcoming you all to parents evening next week. If you haven't made an appointment yet, there is still time. Contact Cathy to see what times are available.

Mrs Wiltshire – Tuesday/Wednesday

Miss Spence – Monday/Tuesday

Mr Finnimore – Monday/Wednesday

We were pleased to welcome Mr and Mrs Booth in to our Celebration Assembly this morning to talk about Mr Booth's fundraising cycling journey on behalf of the Landulph Orchard Green, which has its grand opening tomorrow! The children enjoyed hearing about the distance and countries that Mr Booth cycled through, learned how to say "Hello" and "Goodbye" in Vietnamese, and were very interested in the animals and the culinary experiences that Mr Booth and his friends experienced! A big thank you to Mr Booth for sharing his adventure with us.

Reminders....

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6), Numbots (Y1) and Spelling Shed (Y2-6).

These are great programmes that we invest in as a school to support learning at home. If your child has forgotten their log in details then please email Cathy.

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Thursday	Tuesday Friday	Tuesday Wednesday

Defibrillator (in a box)

Available for community use during school hours. Please come straight to the front entrance as it is stored in the office.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Wild Tribe
Outdoor Learning

This term, **Class 1** will be doing 'Wild Tribe.' Please can they bring their change of spare clothes (that you don't mind getting dirty) into school in a bag each **Tuesday**.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies
- gloves (advisable)

Wellies & Waterproofs

Please can you send your child to school each day with **NAMED** wellies (they can stay in school if you have a spare pair) and a waterproof jacket. We try to get outside as often as possible even when the weather is not in our favour.

Organised by Mrs Plumb

Open from 7:45am on all days that children are in school

Breakfast included
£3.50 per child

Little Owls

Organised by Mrs Slateford and Mrs Glancy

Afterschool club opens from 3.20 – 5.30pm with the costs as below. All sessions include a snack.

- ⇒ 3:20pm-4:20pm - £4. Snack served at 4pm.
- ⇒ 3:20pm-5:30pm - £7. Snack served at 4pm.
- ⇒ 4:20pm-5:30pm (after clubs) - £4. Snack served at 4:30pm.

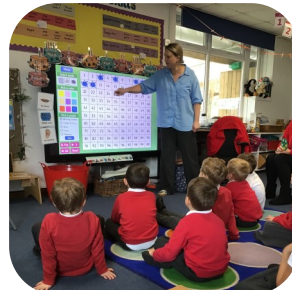

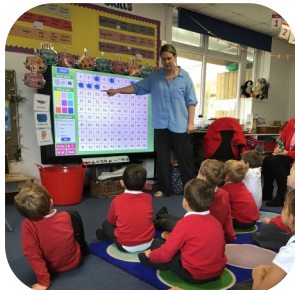

Please can you ensure any requests for wraparound care are submitted with as much notice as possible (ideally by the Friday before the week that the care is needed). We need a **minimum of 48 hours' notice** unless it is an emergency.

To book in, please email bookings@landulphcloud.net.

Celebrating our learning....

Class 1

Class 1 have been having fun with numbers this week! The Pixies took advantage of (some) dry weather to get outside and use nature for counting. They then wrote the corresponding numbers and checked their work for accuracy. Year 1 have been learning to count to 100 and back again using the interactive whiteboard. We also used the Beebots for coding and programming directions. Class 1 were also excited to have an addition to our growing nature table - some chicken eggs! They have loved learning about the incubation process and have been so careful when looking at them.

Class 2

Class 2 have been around the world this week! We wrote some beautifully descriptive diary entries as if we had visited some of the modern wonders of the world, just like Tom, the main character from our class text. In maths, each year group has had quite a different focus. Year 4 have been introduced to the world of decimals! They enjoyed it so much that many Year 4 pupils requested extra homework to practice dividing by 10! Year 3 have continued to work with fractions and Year 2 have been learning how to measure mass in grams using different types of weighing scales. They were able to apply this learning in DT also, as the whole class made different types of bread, suited to an Olympic athlete's diet.

Class 3

Class 3 have continued to explore 'The Arrival' and have written some descriptive passages based upon the settings illustrated. Statistics, specifically timetables and pie charts, have posed some problems in maths but the children have been able to apply their prior learning to determine solutions. The Year 6 children have also been putting together some revision cards as the countdown to SATs descends below 20 days. In science we have been modelling the circulatory system and learning about the function of the heart. The children have demonstrated some excellent fielding skills in cricket and have been working on their techniques for accurate catching and throwing. In DT the children researched foods from around the world and employed some techniques for preparing a mango!
