Together in Adventure and Discovery

7th March 2025

A message from Mrs Ball...

It's that time of year where the clocks will soon 'spring forward' but the gains of the longer lighter days are worth losing that hour's sleep! It has been lovely this week, although the days have started quite crisp, we have had many clear skies and even some sunshine!

As I started to share last week, this term we are putting a spotlight on our 'classroom attitudes.' We have started to spend time together in assembly talking about how we can make sure we are 'Ready to Learn.'

Listen actively
and respond.

This week we discussed how we show we are listening to someone and the importance of listening to the adults and our peers in the classroom. We also talked about how it is important to follow instructions quickly and politely.

WORLD BOOK DAY

We have had a great day celebrating all things books... thank you for all your support in helping your child create their hat or mask, they all looked incredible! Well done to Class 2 for winning the Dress the Door Challenge! See our Facebook page for more photos 📸

Class 1

It has been great to end a busy week with a World Book Day celebration. We shared and talked about our door book "Owl Babies" as well as listening to other stories. We would love to encourage all of you to keep reading with your child at home because reading opens the doors to so many wonderful opportunities and worlds. We also enjoyed diving into all things Cornish on St Piran's Day - Mrs Ashley and Mrs Truscott shared some traditional shanties with the class and spoke about Mrs Ashley's Cornish scarf and what the different colours represent. Maths taught us that counting increases in steps and for the Year 1's they explored the difference between quantities.

Class 2

This week has been a very busy week for Class 2! Year 3 have been swimming every day so that has kept them busy, while Year 2 have stayed and helped Mrs Plumb with our Dress the Door Challenge for World Book Day (results to follow!). We have been continuing our length and height learning in the sunshine, measuring in metres, centimetres and millimetres; soon we will be moving on to fractions. In English we have been looking at features of character descriptions, using the characters from our class story The Disgusting Sandwich. In science we are looking closely at plants and had a lovely time drawing and labelling them; we are really looking forward to next week which is Science Week!

Class 3

This week, Class 3 has been diving deeper into their learning with fantastic enthusiasm!

In English, we explored character motivations in our class text, thinking about why characters behave the way they do. The children also worked on descriptive writing, bringing the settings of Ancient Greece to life with vivid detail.

Applying our number skills to real-life situations, Maths lessons focused on decimal calculations in the context of money. Alongside this, we compared fractions and decimals, helping the children build confidence in making connections between the two.

For PE, Years 4 and 5 have been making excellent progress in their swimming lessons, growing in confidence with each session. Meanwhile, the Year 6s have been working incredibly hard on their SATs practice, showing great determination and focus.

Well done to everyone in Class 3 for another brilliant week—keep up the hard work.

Reminders....

Wild Tribe
Outdoor Learning

This term, **Class 1** will be doing 'Wild Tribe.' Please can they bring spare clothes (that you don't mind getting dirty) into

school in a bag each **Tuesday**.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Thursday	Tuesday Friday	Tuesday Thursday

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6), Numbots (Y1) and Spelling Shed (Y2-6).

These are great programmes that we invest in as a school to support learning at home. If your child has forgotten their log in details then please email Cathy.

Wellies & Waterproofs

Please can you send your child to school each day with NAMED wellies (they can stay in school if you have a spare pair) and a waterproof jacket. We try to get outside as often as possible even when the weather is not in our favour.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Please remember to send your child in with a warm waterproof coat so we can still get outside during the colder weather.

Defibrillator (in a box)

Available for community use during school hours. Please come straight to the front entrance as it is stored in the office.

Organised by Mrs Plumb

Open from 7:45am on all days that children are in school

Breakfast included

£3.50 per child

Little Owls

Organised by Mrs Slateford and Mrs Glancy

Afterschool club opens from 3.20 – 5.30pm with the costs as below. All sessions include a snack.

- ⇒ 3:20pm-4:20pm - £4. Snack served at 4pm.
- ⇒ 3:20pm-5:30pm - £7. Snack served at 4pm.
- ⇒ 4:20pm-5:30pm (after clubs) - £4. Snack served at 4:30pm.

Please can you ensure any requests for wraparound care are submitted with as much notice as possible (ideally by the Friday before the week that the care is needed). We need a **minimum of 48 hours' notice** unless it is an emergency.

To book in, please email bookings@landulphcloud.net.
