5th September 2025

A message from Mrs Ball...

Welcome back...

Well, the summer holidays seemed to disappear in a flash, but we were certainly blessed with the lovely weather. Whether you got away on holiday or enjoyed time at home or made the most of our beautiful locality, whatever you did I hope you had a fantastic time and have made lots of precious memories

I would like to extend a very special welcome to our Class of 2025, our new Foundation children. We are all so proud of them for being wonderful this week and settling so well into their new school routines. Also, a big welcome to William who has recently joined the Landulph family.

It has been a busy start to term and we have been lucky enough to welcome Erica from the Mental Health Support Team into school to deliver her first session of 'decider skills' to each class. These workshops will continue for three more weeks, they support mental health, help to manage emotions and build resilience when things get difficult.

We are all very much looking forward to the year ahead, with lots of exciting things planned already. Learning across the school this term will focus on...

Class 1 – What's great about where I live?

Class 2 – What is the river Tamar used for?

Class 3 – Where do you want to go?

Topic overviews, knowledge organisers and home learning grids will be shared with you next week and they will also be available on our school website.

Class 1

Hello! We want to say welcome and welcome back everyone to all in class one. It's been a really lovely week getting to know our new class one family and settling into what will become our familiar routines. You've all done a smashing job and we can tell it's going to be lots of fun this year. This week we have been thinking about being a good friend, how we look after ourselves and how we can look after our classroom. Please remember if you need anything or your child has a wonderful experience you would share, you can talk to us at school or send an email to class1@landulphcloud.net.

Class 2

Class 2 have settled back in to the school year so brilliantly! Well done to the Year 3 children who have been so welcoming to the new year 2s who have joined our team perfectly. We started the week thinking about what we want our values to be, and how we can be the best team we can possibly be. We discussed being resilient, helpful, kind, to keep going and many more brilliant ways to be a strong team. We are so settled that we've already made a start on our new English topic, which will be a narrative unit, and have also started our place value unit in maths! Our first spelling test will be next Tuesday – we will aim for Tuesdays to be our new spelling test day; we can't wait to get cracking now!

Class 3

We've had a great start to the new term in Class 3, and a warm welcome to our new Year 4 pupils who have settled in so well this week.

We began with team-building activities, helping everyone get to know each other and work together. Our new topic, "Where Do You Want to Go?", was also introduced. Over the coming weeks, we'll be exploring geographical locations around the world as well as our own ambitions and dreams.

In English, we have written some descriptive poetry and started reading Kensuke's Kingdom, which will inspire us to create our own narrative writing. In Maths, we've been working on place value, developing a strong foundation for the term ahead. In Art, pupils have drawn wonderful self-portraits, showing both creativity and attention to detail. Meanwhile in PE, we worked on solving problems in teams, building communication and cooperation skills.

A fantastic first week – well done, Class 3!

Reminders....

Wild Tribe
Outdoor Learning

This term, **Class 2** will be doing 'Wild Tribe.' Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a

Thursday.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6), Numbots (Y1) and Spelling Shed (Y2-6).

These are great programmes that we invest in as a school to support learning at home. If your child has forgotten their log in details then please email Cathy.

SUN SAFE...

We need to remember to keep ourselves safe in the sun. Please remember to put your sun cream on before school, bring your sunhat into school and make sure you have a bottle of water with you!

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Wellies & Waterproofs

Please can you send your child to school each day with NAMED wellies (they can stay in school if you have a spare pair) and a waterproof jacket. We try to get outside as often as possible even when the weather is not in our favour.

Defibrillator (in a box)

Available for community use during school hours. Please come straight to the front entrance as it is stored in the office.

Organised by Mrs Plumb

Open from 7:45am on all days that children are in school

Breakfast included

£3.50 per child

Little Owls

Organised by Mrs Glancy and Miss Pease
Afterschool club opens from 3.20 – 5.30pm with the costs as below. All sessions include a snack.
