Dear Parents,

Please find below the timetable of activity clubs for this term. We are delighted that so many of our Class 3 children are interested in practicing their leadership skills and have expressed a desire to run their own clubs. Student-led clubs will be supervised by Ms Hawker or Mrs Ball. We would like to also thank all the staff who give up their time to support the clubs as, without them, our range of clubs would be very limited.

Numbers will be limited per club depending on the activity and who is running it, so they will be allocated on a first come first served basis and then a waiting list set up if needed.

Please note that these clubs will run from week beginning Monday 22nd September until Thursday 20th November inclusive.

Please be mindful if you are thinking of booking Foundation children into clubs this term. Starting school is an exhausting experience and that extra hour at the end of the day can be a bit too much for some children.

Please can you make sure that it is something that your child really wants to do before signing them up. It is important that we encourage the children to show commitment to their chosen club as this breeds good
