Landulph School Newsletter

Together in Adventure and Discovery

A message from Mrs Ball...

Happy New Year

wishing you all an incredible 2026 full of fun and laughter

What an eventful first week of the New Year! After our speedy exit at the end of the day yesterday to make sure everyone was home safely with the red weather warning in place, I was sat at home in the evening hoping my laptop battery lasted long enough for me to finish the newsletter as we had a power cut! And then I found myself having to close school today because of the continued power cut in Landulph! I hope everyone is keeping safe and well during these unpredictable times.

I just want to extend my thanks to you all for being so supportive and understanding, also quick to respond through what has been a very tricky week. It is really appreciated.

At this present time, the school unfortunately still has no power. We will send an update on Sunday to confirm the situation for Monday morning.

The children have immersed themselves into their new learning and have begun exploring their topic for the term ahead:

- ❖ Class 1 – What's special about red, white and blue?
- ❖ Class 2 – Are we good digital citizens?
- ❖ Class 3 – What are we?

Topic overviews, knowledge organisers and home learning grids will be appearing in your 'inbox' early next week and will also be available on our school website.

“Meet the Teacher”

Wednesday 14th January

- ❖ 3.30pm – Meet the teacher session 1: Visit your child's classroom and find out about their learning for the term ahead, home learning, reading for pleasure and weekly routines.
- ❖ 4pm – Meet the teacher session 2: The same session repeated for those parents who have children in different classes or if you are unable to make the first slot.

We look forward to welcoming you all into school
