

Landulph School Newsletter

Together in Adventure and Discovery

23rd January 2026

A message from Mrs Ball...

In assembly this week we spent some time thinking and talking about CHALLENGE. We talked about how it could take many forms, for example:

- * Trying something for the first time
- * Completing a task which we don't find easy
- * Competing against others or yourself
- * Taking part in a task that tests your abilities or skills

We talked about challenges that they had faced, how they made them feel and ways they made them easier to deal with. Challenges are an important part of life; they help us learn and grow.

It is that time of year again, time to start planning for my **favourite day of the year!** On Friday 27th February we are looking forward to welcoming our Grandparents for lunch with their

grandchildren. Please arrive at 11.40am. Lunch will be Fish Fingers & Chips and the cost is £2.75 per grandparent.

Please complete this online form - [Grandparents Lunch - Friday 27th February 2026 - Fill out form](#). Once your places have been confirmed via email please pay on Parent Pay to reserve your place/s. Places are limited to 2 per family initially and are first come first served. We will hold a waiting list if we exceed the numbers and then open a second date if necessary.

Don't forget it is the Big Garden Birdwatch this weekend, can you take an hour out of your weekend and help the RSPB understand how the UK bird populations are faring.

Choose an hour between 23 and 25 January

Only record the birds that land in your patch

Record the highest number of each bird species you see at any one time

Class 1

It is Friday again so soon! The weeks are just flying by! The year 1's have been learning all about the number line to 20 including greater than and less than. Foundation have been exploring capacity using cubes and water (blue, bubbly sparkly water!) In Geography we have continued our learning all about the UK but with a particular focus on Scotland this week, finding out about Ben Nevis and Loch Ness. If you have been on any adventures to Scotland, it would be great if you could share some photos. The children have continued to delve into the story of Katie Morag and have been creating a story map. Wild tribe was great fun, they made medallions out of wood using hand drills.

Class 2

We are flying in class 2 now! This week we have completed the loveliest diary entries from Goldilocks (the one who posts everything she does on her social media accounts, of course!), and we've finished our multiplication and division learning in maths. We have started our statistics unit and are already experts at tally charts and pictograms. We've begun our new computing unit, which is to use PowerPoint and google slides to create presentations, and we are definitely becoming more confident at using technology! Hopefully this skill will help with some home learning tasks too! In Geography we are now looking at climate zones and biomes around Europe which the children are really engaged with. We are now looking forward to gathering information for our online safety leaflets that will make up our next English unit! As Goldilocks would say #thatsitfornow

Class 3

This week in English, the children have been building a suspense toolkit, exploring how authors create tension and excitement through language, sentence structure and atmosphere. In Maths, we focused on understanding the links between fractions, decimals and percentages, developing confidence in converting between them. Our Science lessons involved classifying plants and creating clear classification trees, helping pupils understand how living things are grouped. In Geography, we investigated the origins of mountains in the Americas, learning about tectonic movement and how different mountain ranges are formed. In DT, the children began designing their own cam toys, thinking carefully about movement, mechanisms and design features.

Reminders....

Wild Tribe
Outdoor Learning

This term, **Class 1** will be doing 'Wild Tribe.' Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a **Thursday**.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Friday	Monday	Monday
	Friday	Thursday

Keep up those good habits...

Learning spellings, number facts and times tables is so important.

Don't forget your child has a log in to TT Rockstars (Y2-Y6) and Spelling Shed (Y1-Y6).

These are great programmes that we invest in as a school to support learning at home. If your child has forgotten

Does your child fancy learning how to play the keyboard or the guitar? Mr Jane has some spaces available and is keen to start inspiring the next generation of musicians. Lessons take place on Tuesday mornings.

Contact the office for a booking form.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Wellies & Waterproofs

Please can you send your child to school each day with NAMED wellies (they can stay in school if you have a spare pair) and a waterproof jacket. We try to get outside as often as possible even when the weather is not in our favour.

Defibrillator (in a box)

Available for community use during school hours. Please come straight to the front entrance as it is stored in the office.

Organised by Mrs Plumb

Open from 7:45am on all days that children are in school

Breakfast included (**please note that breakfast is served until 8:15am**)

£3.50 per child

Little Owls

Organised by Mrs Glancy and Miss Pease
Afterschool club opens from 3.20 – 5.30pm with the costs as below. All sessions include a snack.

- ⇒ 3:20pm-4:20pm - £4. Snack served at 4pm.
- ⇒ 3:20pm-5:30pm - £7. Snack served at 4pm.
- ⇒ 4:20pm-5:30pm (after clubs) - £4. Snack served at 4:30pm.

Please can you ensure any requests for wraparound care are submitted with as much notice as possible (ideally by the Friday before the week that the care is needed). We need a **minimum of 48 hours' notice** unless it is an emergency.

To book in, please email bookings@landulphcloud.net.

Landulph School

Friendship ~ Honesty ~ Loyalty ~ Respect

Will your child be starting school in September 2026? We would love to welcome you to visit to show you what our school has to offer. We are a small village school based just 10 minutes outside of Saltash. Please call 01752 845572 or e-mail secretary@landulph.cornwall.sch.uk to arrange a tour.

www.landulph.net

We have spaces available other year groups.

Did you know that 2026 is the National Year of Reading? At Landulph, reading is our superpower so we are gearing up for a fantastic year to celebrate the power of reading. Launched only this week, we are putting together a calendar of exciting events to celebrate all forms of reading and the impact it has on developing hearts and minds.

Events planned so far:

National Storytelling week 2-6th Feb

World Book day 6th March

Online author webinars throughout the year in classes.

This is something we want to include our whole community in, so if you would like to be involved in any way, or have any brilliant ideas, please contact Ms Hawker directly at Class2@landulphcloud.net
