Together in Adventure and Discovery

1st May 2026

A message from Mrs Ball...

We were so lucky with the sunny weather on Wednesday for our website videography and photography session. It was certainly an incredibly busy morning making sure they captured all the wonderful things we love about our school. We were able to try out our new Wild Tribe canopy, popped to the woods for a quick cross country run, wowed with our singing and did some great science experiments to name just of the few things we captured! I can't wait to share the outcome with you when we receive it.

By now you will have received your child's annual report. I am in a very lucky position, and I get the opportunity to read about the achievements of all of the children across the school and I know I am very proud of each and every one of them. Don't forget it is parents' meetings on Tuesday and Wednesday next week, the teachers are looking forward to having the opportunity to meet with you.

Enjoy the Bank Holiday weekend and we will see you on Tuesday 5th May.

Celebrating our learning...

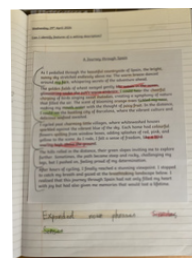

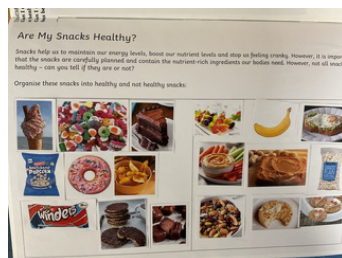

Class 1

Amidst all our hard work indoors, especially perfecting our phonics, we have also been loving using our outdoor resources. The sunshine has lured us out to make the most of our fantastic equipment while learning all about nature and how plants grow. We have also been doing some very inventive building... potential future architects definitely among us! In DT we have been learning about mechanisms and this week we made a slide mechanism... we are budding engineers too!

Class 2

It seems as though every week is a whirlwind lately – and this week is no exception! In Class 2 this week we have carried on with our Europe learning by beginning to make a comparison between Cornwall and Greece in geography. We learned that Greece has over 6000 small islands! In English we have looked at example setting descriptions and identified the features that are needed for a good setting. We are very much coming to the end of our fractions learning and will soon be braving the time unit! Last week in computing we started to look at stop motion animations and watched a video about how they are made. We will be designing our own animations in small groups and then using an app on the I pads to film them over the next few weeks. The children are very excited about this! Keep a look out for the finished videos!

Class 3

It is our turn to enjoy Wild Tribe this half term, and so far we have definitely been very lucky with the weather! Mrs Truscott and Mrs Plumb come up with increasingly creative plans each week and it really is a fantastic opportunity to get outside and make the most of our surroundings in a constructive and educational way. This week we made kaleidoscopes, taking advantage of the sunshine and the abundance of wildflowers in the field to make amazing colours and effects.

Reminders....

This term, **Class 3** are doing 'Wild Tribe.' Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a Thursday.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies
- gloves (advisable)

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Tuesday Friday	Monday Thursday	Monday

As a school we purchase licences for TTRS and Spelling Shed to support the children with vital aspects of their learning. Each week when we look at engagement levels, there are the consistent few who have excellent stats, but there are far too many who do not engage at all.

Practising and learning spelling patterns are crucial for building the foundations for reading fluency, vocabulary development and comprehension. It also reduces the cognitive load for writing composition.

It is a similar message for practising and learning times tables. Building those secure foundations enable the children to access more challenging aspects of maths, boosts mental arithmetic and confidence in problem-solving.

Please can you support your child to access this aspect of their home learning each week.

If you do not have your log in for Spelling Shed or TT Rockstars (Y1-Y6) please let the office know and they will send it to you.

Does your child fancy learning how to play the keyboard or the guitar? Mr Jane has some spaces available and is keen to start inspiring the next generation of musicians. Lessons take place on Tuesday mornings. Contact the office for a booking form.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Sun Safe...

We need to remember to keep ourselves safe in the sun. On hot days please remember to put your sun cream on before school, bring your sunhat into school and make sure you have a bottle of water with you!

Organised by Mrs Plumb

Open from 7:45am every school day

Breakfast included (**please note that breakfast is served until 8:15am**)

£3.50 per child

Little Owls

Organised by Mrs Glancy and Miss Pease
