A message from Mrs Ball...

This week I want to share a special 'SHOUT OUT' to our amazing Year 1 and Year 4 children who have worked incredibly hard with all of their preparation for their respective phonics screen and multiplication checks. All of their hard work certainly paid off, we are super proud of them all 😊

Leavers' Assembly 9.30am

I can't believe we have reached that time of year where we begin to start thinking ahead to the new academic year. On Thursday afternoon, we welcome our new starters into school to begin their school journey. For our incredible Year 6's they begin to get ready to move on to their secondary schools. They have visits planned to their new schools, transition staff visiting them at Landulph and they will soon start preparing for their Leavers' Assembly! In the meantime, they were the excited (in a cool, Year 6 way) recipients of their Leavers' hoodies today!

Celebrating our learning...

Class 1

Another busy week in Class 1! The whole class has been learning about ordinal numbers (numbers that represent the position of something in a sequence) in Maths, enjoying races in the hall to see who came 1st, 2nd, 3rd etc. In History we have been comparing Victorian times to the present day, and we have focussed on a Victorian day out at the beach. We are very much looking forward to finding out how different a day at the beach is nowadays on Monday when we are off to Portwrinkle Beach. In Wild Tribe we braved the summer downpours to collect fir cones which we then made into some brilliant bees.

Class 2

We have had a super week in Class 2! The week began with Years 3,4 and 5 taking part in a Lego robotics day, which was run by Andy – a Lego expert! The Year 3 children had such a wonderful time building creations to a specific set of instructions – a good time was definitely had by all! That meant that Year 2 got to spend the morning with Ms Hawker doing some Year 2 intervention work! You may have been delivered a wonderful origami creation on Thursday – that's because in art with Mrs Plumb the class used inspiration from The Great Wave Off Kanagawa to make their own 3D art to create waves and a boat. They looked so wonderful – we hope you have enjoyed them too. In other news, this week has been assessment week and we are so impressed with the progress the children have made this year. They have had assessments in maths, writing, reading and spellings – if you would like to know how your child has done please pop in, Ms Hawker will be happy to share the scores with you!

Class 3

Years 4 and 5 were lucky enough to spend the whole day building Lego on Monday. Organised by The Institution of Engineering and Technology together with Cognition Learning, the children completed a set series of challenges, under the guidance of a First Lego League expert. The children worked brilliantly in teams and were totally engaged in the experience for the whole day. To top off a super day, the IET then gave us the Lego sets that we had been using for the school to keep and continue to enjoy using.

Reminders....

Class 1 will be doing 'Wild Tribe' this half term. Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a Thursday.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies
- gloves (advisable)

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Tuesday	Monday Friday	Monday Thursday

As a school we purchase licences for TTRS and Spelling Shed to support the children with vital aspects of their learning. Each week when we look at engagement levels, there are the consistent few who have excellent stats, but there are far too many who do not engage at all.

Practising and learning spelling patterns are crucial for building the foundations for reading fluency, vocabulary development and comprehension. It also reduces the cognitive load for writing composition.

It is a similar message for practising and learning times tables. Building those secure foundations enable the children to access more challenging aspects of maths, boosts mental arithmetic and confidence in problem-solving.

Please can you support your child to access this aspect of their home learning each week.

If you do not have your log in for Spelling Shed or TT Rockstars (Y1-Y6) please let the office know and they will send it to you.

Does your child fancy learning how to play the keyboard or the guitar? Mr Jane has some spaces available and is keen to start inspiring the next generation of musicians. Lessons take place on Tuesday mornings. Contact the office for a booking form.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Sun Safe...

We need to remember to keep ourselves safe in the sun. On hot days please remember to put your sun cream on before school, bring your sunhat into school and make sure you have a bottle of water with you!

BAG 2 SCHOOL

FREE FUNDRAISING FOR SCHOOLS

In partnership with your school or organisation

Landulph Under Fives

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

PLEASE USE YOUR OWN BAGS (THERE IS NO LIMIT).

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:

Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.
(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!

Extra bags are welcome - there's no limit

Please return your Bag 2 School on:
