Together in Adventure and Discovery

26th June 2026

A message from Mrs Ball...

After a week of unusually high temperatures, we hope all of our families have managed to stay as cool and comfortable as possible. The heat has certainly been challenging for everyone, and we are incredibly proud of how well our children have adapted—showing resilience, kindness, and care for one another throughout. Thank you for your ongoing support in helping children come to school prepared for the warm weather.

Today was our annual 'Break the rules mufti day!' As always, the children haven't let us down and they all look amazing. I hope they enjoyed their sweets for playtime and eating their puddings first at lunchtime!!

It is that time of year again where we look forward to welcoming you all to join us for Sports Day on Friday 10th July. Fingers crossed the weather will be on our side. If we have to cancel, we will inform you as soon as we have made the decision and it will be rearranged for Friday 17th July.

We plan to have a picnic lunch on the field from 12noon. Bring your picnic rugs and picnics and come and join us. Your child can bring their own packed lunch or order a school picnic bag (This will need to be ordered by Friday 3rd July).

Just before 1pm, we will ask you to move to one side of the track where seating will be available for you to be able to cheer the children on as they take part in a range of races.

Please do not sit in front of the gazebo by the finish line, this space is for staff and pupils ONLY.

Our new Mealtime Assistant, Mrs Corolaita joined us today. She is really looking forward to getting to know the children. Welcome to the Landulph team.

Upcoming Diary

30 June

Class 2 & 3 Trip to Morwelham Quay

2 July

Year 5 Sports Festival

3 July

PTA chocolate mufti day.
Whole School Trip to Duchess Green

Celebrating our learning...

Class 1

We have been incredibly proud of Class 1 this week as they have continued to show enthusiasm and resilience despite the extreme heat. In science, the class has loved designing and creating their very own mini beast hotels, thinking carefully about how to make them suitable homes for different creatures. In maths, we have been building our understanding of place value (Pirans) and positional language (Pixies), with the children developing confidence in describing where objects are and explaining their thinking. In English, we have been learning all about writing instructions, looking at how to give clear, step-by-step guidance. To keep cool, the children have also thoroughly enjoyed water play and bubbles during our Wild Tribe session, making for a fun and refreshing end to our busy week.

Class 2

It's been a swelterer, but Class 2 have been brilliant this week, as always. We've powered on through with our learning, now well into our topic about the Victorians. We have begun a new English text, called *Son of the Circus*, all about a Victorian child who works with a circus and his adventures. As you can see from the photos, in maths this week we rounded off our mass and capacity learning with some well-earned practical learning about volume in the shade under the trees! It was interesting to see how the children really did use it as an opportunity to put their learning into practice as they were talking about how to find out the capacity of an unlabelled vessel using the labelled vessels that they did have. The children wrote the loveliest letters to Queen Victoria yesterday, imploring her to help the poor children who were sweeping chimneys and doing awful jobs! Looking to next week, we are so looking forward to our trip to Morwellham Quay on Tuesday, to embed what we already know and hopefully pick up a few new things about the Victorians....especially the Victorian classroom!

Class 3

In English, pupils have been exploring the features of information texts while learning how and when to use the passive voice to create a more formal style of writing. During Maths lessons, the children have been working with coordinate grids and translating shapes, building their confidence in geometry through a variety of practical and problem-solving activities. Our History learning has focused on the development of the railways and the profound impact they had on Victorian Britain, transforming travel, industry and everyday life. In Science, the class investigated Alexander Fleming's discovery of penicillin, considering why it was such a significant breakthrough, before analysing data to draw evidence-based conclusions. It has been another productive week, with pupils showing curiosity, perseverance and enthusiasm in all areas of their learning.

Reminders....

Class 1 will be doing 'Wild Tribe' this half term. Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a Thursday.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies
- gloves (advisable)

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Tuesday	Monday Friday	Monday Thursday

As a school we purchase licences for TTRS and Spelling Shed to support the children with vital aspects of their learning. Each week when we look at engagement levels, there are the consistent few who have excellent stats, but there are far too many who do not engage at all.

Practising and learning spelling patterns are crucial for building the foundations for reading fluency, vocabulary development and comprehension. It also reduces the cognitive load for writing composition.

It is a similar message for practising and learning times tables. Building those secure foundations enable the children to access more challenging aspects of maths, boosts mental arithmetic and confidence in problem-solving.

Please can you support your child to access this aspect of their home learning each week.

If you do not have your log in for Spelling Shed or TT Rockstars (Y1-Y6) please let the office know and they will send it to you.

Does your child fancy learning how to play the keyboard or the guitar? Mr Jane has some spaces available and is keen to start inspiring the next generation of musicians. Lessons take place on Tuesday mornings. Contact the office for a booking form.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Sun Safe...

We need to remember to keep ourselves safe in the sun. On hot days please remember to put your sun cream on before school, bring your sunhat into school and make sure you have a bottle of water with you!

Organised by Mrs Plumb

Open from **7:45am** every school day

Breakfast included (please note that breakfast is served until 8:15am)
£3.50 per child
