Together in Adventure and Discovery

3rd July 2026

A message from Mrs Ball...

What an incredibly busy week – our Class 2 & 3 children had a fantastic day out at Morwellham Quay, our Year 5's took part in the Future 5 Sports Festival at Saltash Community School and all of us have ended the week with a visit to Duchess Green & Duke Orchard, always a good tonic for our mental health and well-being.

Thank you to everyone who has supported the PTA's mufti for chocolate!

With not long to go until Sports Day, I have been keeping an eye on the weather forecast. It is certainly looking like it is going to be dry and warm (hopefully I haven't just cursed it!) We have decided this year to spread the field events that we usually do on the Friday morning out across the week, so we are not outside for too long on any one day. **So, for next week only, please can your child come to school in PE kit every day.**

We look forward to welcoming you all to join us for **Sports Day on Friday 10th July**. If we have to cancel, we will inform you as soon as we have made the decision and it will be rearranged for Friday 17th July.

The Fordy family is very kindly allowing us to use their field for parking again this year. This can be accessed just along from our field's bottom gate on the opposite side of the lane. It will be signed. Please use this area to park rather than along the road to prevent us causing traffic problems for the village.

There will be a picnic lunch on the field from 12noon. Bring your picnic rugs and picnics and come and join us. Your child can bring their own packed lunch, unless you have already ordered them a school packed lunch bag.

Just before 1pm, we will ask you to move to one side of the track where seating will be available for you to be able to cheer the children on as they take part in a range of races. There is very little shade for parents I'm afraid so please bring hats, suncream and water!

Please do not sit in front of the gazebo by the finish line, this space is for staff and pupils ONLY.

Upcoming Diary

7 July

Year 6 Transition Day

9 July

Class 3 to Liskeard Community College for Sports Challenge

10 July

Sports Day (from 12 noon)

17 July

Reserve Sports Day

20 July

Leavers' Disco (for whole school) 3.20-5pm

21 July

Year 6 Day Out

23 July

Leavers' Assembly 9.30am

24 July

Last day of term : collection from 1.30pm .School closes at 3.20pm. (No Little Owls)

Landrake Fun Run – Sima, Maxwell and Isaac all did really well at the Landrake cross country fun run. This was a pre-race photo but their smiles were just as big when they got back in, just a bit muddier!

Celebrating our learning...

Class 1

This week, we have had a fantastic time learning all about lighthouses! We enjoyed reading *The Lighthouse Keeper's Lunch* and used the story to help us write our own instructions. We even put our instructions into practice by making delicious jam sandwiches! We have been busy finding out how lighthouses worked in the olden days and comparing them to the modern lighthouses we see today. To celebrate having the school all to ourselves on Tuesday, we even enjoyed a sneaky ice lolly treat!

In Maths, we have been exploring money, recognising coins and notes, something we do not do as much nowadays! Pixies have been exploring maps and models. We have also been developing our computing skills by entering information into databases and learning how data can be organised and found quickly. It has been a fun-filled week packed with exciting learning, teamwork and lots of smiles!

Class 2

What a whirlwind this week has been! Obviously the week has been dominated by our fabulous trip to Morwellham Quay on Tuesday. It was awesome and the children have really taken so much from it. It was especially lovely to see them grow in confidence throughout each activity; from being reluctant to trying on Victorian clothes to fully getting into Victorian character, and being really very worried about going into a mine to being disappointed when the ride was over! The Victorian school room was especially educational, although very few of them seemed concerned about the prospect of being caned for breaking the rules! In our learning, we will obviously carrying on with learning about Victorians, we'll be learning about Victorian toys and schools over the next couple of weeks. Our final English unit is a story sequel for our new book, *Son of the Circus*. A busy few weeks are coming up, so we'll be keeping ourselves busy!

Class 3

This week has been packed with memorable learning experiences both in and out of the classroom. In English, pupils have been exploring the layout and key features of non-chronological reports, considering how information can be organised clearly and effectively. During Maths, the children have investigated lines of symmetry, developing their understanding through practical activities and problem-solving challenges. Our Science lessons focused on the remarkable life and work of Stephen Hawking, with particular attention given to his theories about black holes and his contribution to our understanding of the universe. Undoubtedly the highlight of the week was our visit to Morwellham Quay, where the children stepped back in time to experience life as Victorian school pupils, dressed in period costume and travelled by train deep into the historic copper mine. It was a fascinating day, full of hands-on learning that brought our history topic to life. Finally, congratulations to our Year 5 pupils, who represented the school brilliantly at a sporting festival hosted by Saltash School, demonstrating excellent teamwork, determination and sportsmanship throughout the event.

Healthy week 2026

Next week (6th -10th July) is Healthy week! All week the children will be engaging in learning and activities to promote health and wellbeing.

This will include learning about healthy food, nutrition, mental wellbeing, mindfulness and exercise.

There will be a team competition led by the team captains and the week will culminate in our annual sports day on Friday.

Can we ask that, in order to help the healthy bodies conversations, that snacks and lunchboxes next week have a special healthy focus, we'd like to avoid crisps, sweets and chocolates if possible.

Reminders....

Class 1 will be doing 'Wild Tribe' this half term. Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a Thursday.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies
- gloves (advisable)

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Tuesday	Monday Friday	Monday Thursday

As a school we purchase licences for TTRS and Spelling Shed to support the children with vital aspects of their learning. Each week when we look at engagement levels, there are the consistent few who have excellent stats, but there are far too many who do not engage at all.

Practising and learning spelling patterns are crucial for building the foundations for reading fluency, vocabulary development and comprehension. It also reduces the cognitive load for writing composition.

It is a similar message for practising and learning times tables. Building those secure foundations enable the children to access more challenging aspects of maths, boosts mental arithmetic and confidence in problem-solving.

Please can you support your child to access this aspect of their home learning each week.

If you do not have your log in for Spelling Shed or TT Rockstars (Y1-Y6) please let the office know and they will send it to you.

Does your child fancy learning how to play the keyboard or the guitar? Mr Jane has some spaces available and is keen to start inspiring the next generation of musicians. Lessons take place on Tuesday mornings. Contact the office for a booking form.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Sun Safe...

We need to remember to keep ourselves safe in the sun. On hot days please remember to put your sun cream on before school, bring your sunhat into school and make sure you have a bottle of water with you!

Organised by Mrs Plumb

Open from **7:45am** every school day

Breakfast included (please note that breakfast is served until 8:15am)
£3.50 per child

Little Owls

Organised by Mrs Glancy and Miss Pease
