Together in Adventure and Discovery

10th July 2026

A message from Mrs Ball...

This time last week we had a very enjoyable afternoon down at Duchess Green being citizen scientists. The challenges included finding our trees in the Miyawaki forest and measuring how much they had grown, following instructions using a compass, taking photos for the village photography competition, exploring habitats, and discovering what is in the pond. A massive thank you to Clare and all of the volunteers for organising and supporting our visit.

Upcoming Diary

17 July

Sports Day (picnic from 12pm, races from 1pm)

20 July

Leavers' Disco (for whole school) 3.20-5pm

21 July

Year 6 Day Out

23 July

Leavers' Assembly 9.30am

24 July

Last day of term : collection from 1.30pm .School closes at 3.20pm. (No Little Owls)

1 September

Inset Day

2 September

First day of term

Sports Day

As you already know, we had to postpone Sports Day due to the amber weather warning. It will now be held on the afternoon of Friday 17th July.

Plans remain the same, just a different date.

The Fordy family is very kindly allowing us to use their field for parking again this year. This can be accessed just along from our field's bottom gate on the opposite side of the lane. It will be signed. Please use this area to park rather than along the road to prevent us causing traffic problems for the village.

There will be a picnic lunch on the field from 12noon. Bring your picnic rugs and picnics and come and join us. Your child can bring their own packed lunch, unless you have already ordered them a school packed lunch bag.

Just before 1pm, we will ask you to move to one side of the track where seating will be available for you to be able to cheer the children on as they take part in a range of races. There is very little shade for parents I'm afraid so please bring hats, suncream and water!

Please do not sit in front of the gazebo by the finish line, this space is for staff and pupils ONLY.

Hats, suncream and refillable water bottles are needed every single day

Children will need to be back in school uniform next week unless it is their PE day. Also, they will need to wear PE kit on Friday for Sports Day.

Have you ordered your group photo yet? A polite reminder that the closing date for free delivery back to school is Monday 13th July 2026. Order through the Tempest website using your unique link that was emailed to you, or if you have received paper order forms visit www.tempest-orders.co.uk If you need any assistance in ordering your photos, feel free to contact Tempest on 01736 751555 (option 5).

Celebrating our learning...

Class 1

It has been a very exciting week! Our new Foundation children had their final visit; they joined us for lunch and then an afternoon of play-based learning. The rest of us also had some time earlier in the week with Ms Hawker and our new classmates, preparing for September.

In Computing, we enjoyed creating our own pirate databases, learning how to organise information and use data effectively. The children showed great creativity as they designed records for different pirate characters. In Maths, the Piran's focus was on time, securing knowledge of the days of the week and months of the year. They will be moving on next week to reading clocks to the hour and half an hour. The Pixie's have been applying themselves to practical problem-solving activities, including building a tin foil boat and seeing how many marbles it could hold before it sank!

We also took part in Healthy Week, where the children explored the importance of keeping healthy, both physically and mentally. They took part in our House competition in Netball and Kickball. They demonstrated excellent teamwork, determination and sportsmanship throughout the events. We squeezed in a quick practise for Sports Day as well. It was wonderful to see everyone encouraging and supporting one another. Well done to all the children for another successful and enjoyable week!

Class 2

Healthy week fun has been had in Class 2 this week. The main event has of course, been our team competition which has happened daily. We were split into our teams and alternated between kickball and netball. It was really special to see the children working together, communicating and generally being as excellent as we know they are. They have all got stuck in and taken part and so we are very proud of them. In other healthy week learning, we looked at packaging for healthy drinks and designed our own. We have attempted to do the Billie Jean jumping challenge which was both fun and exhausting – some of our class were really excellent at hearing a beat and jumping in time; others found that much harder! Over the next week or so we'll be finishing off our topic learning about the Victorians, and completing our final English story sequel.

Class 3

This week, Healthy Week has provided Class 3 with plenty of opportunities to be active while avoiding the hottest parts of the day. Throughout the week, pupils have taken part in a range of house team games, tackled individual dance challenges and joined children from across the trust in the exciting Everest Challenge. Collectively, our exercise was equivalent to climbing Mount Everest an incredible ten times, demonstrating fantastic determination and teamwork. In English, the children have been writing their own non-chronological reports about the Victorians, applying the writing skills they have developed over recent weeks and in History we explored the growth of the British Empire and discussed some of the reasons why it was considered beneficial to Britain at the time, while also beginning to think critically about its wider impact. In Maths, the class has been consolidating their understanding of division, using a range of written methods and problem-solving activities to build confidence and accuracy.

This week in assembly the children heard all about this year's Summer Reading Challenge which opens tomorrow, 11th July.

You can sign up and take part in any Cornish library, and you get a free swim voucher just for signing up! From that point, you get prizes for every 2 books you read and return. You can choose to read anything! It could be a chapter book, comic, information book, it's completely your choice – even audiobooks count!

Last year we won a prize for how many school participants we had and we'd love to do even better this year – so geeeeeeeettt reaaaaaading!

Reminders....

Class 1 will be doing 'Wild Tribe' this half term. Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a Thursday.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies
- gloves (advisable)

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Tuesday	Monday Friday	Monday Thursday

As a school we purchase licences for TTRS and Spelling Shed to support the children with vital aspects of their learning. Each week when we look at engagement levels, there are the consistent few who have excellent stats, but there are far too many who do not engage at all.

Practising and learning spelling patterns are crucial for building the foundations for reading fluency, vocabulary development and comprehension. It also reduces the cognitive load for writing composition.

It is a similar message for practising and learning times tables. Building those secure foundations enable the children to access more challenging aspects of maths, boosts mental arithmetic and confidence in problem-solving.

Please can you support your child to access this aspect of their home learning each week.

If you do not have your log in for Spelling Shed or TT Rockstars (Y1-Y6) please let the office know and they will send it to you.

Does your child fancy learning how to play the keyboard or the guitar? Mr Jane has some spaces available and is keen to start inspiring the next generation of musicians. Lessons take place on Tuesday mornings. Contact the office for a booking form.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Sun Safe...

We need to remember to keep ourselves safe in the sun. On hot days please remember to put your sun cream on before school, bring your sunhat into school and make sure you have a bottle of water with you!

Organised by Mrs Plumb

Open from **7:45am** every school day

Breakfast included (please note that breakfast is served until 8:15am)
£3.50 per child

Little Owls

Organised by Mrs Glancy and Miss Pease
