

Landulph School Newsletter

Together in Adventure and Discovery

17th July 2026

A message from Mrs Ball...

I can't quite believe that this is the penultimate newsletter of the year! Everyone has been busy finishing off their topics for the term, getting in some last-minute practice for Sports Day and spending time in their new classes ready for September.

After the disappointment of having to postpone Sports Day last week, the children have been counting down the days and making their predictions on which House is going to be victorious! The gazebos are up, the lines are marked, the space hoppers are inflated, and we are looking forward to welcoming you all this afternoon. Let's Go Landulph!! We will share photos next week.

Last week was Heathy Week, we made the most of opportunities to keep active. There was a very competitive competition between the

Houses in kickball and netball as well as the Billie Jean jumping challenge! It was such a great week of unity and teamwork, and the children thoroughly enjoyed it. Check out our Facebook page to see the jumping challenge in action!

Upcoming Diary

20 July

Leavers' Disco (for whole school)
3.20-5pm

21 July

Year 6 Day Out

23 July

Leavers' Assembly 9.30am

Celebrating our learning...

Class 1

This week, they have been busy bringing together all of their learning about hues, tones and tints to create some fantastic pieces of artwork. In Maths, Pirans have been developing their understanding of telling the time and Pixies have been exploring subtraction. In Computing, they continued their work on their pirate databases, learning how information can be organised and searched. They have also been practising hard for Sports Day, taking part in running, hurdles, sack and space hopper races. In English, they enjoyed using their creativity to write riddles using descriptive language. In Wild Tribe the children made wooden medallions, drilling holes to thread the string through and decorating them. They have been working incredibly hard and should be very proud of all they have achieved this week.

Class 2

Class 2 have been pretty busy this week with lots of rounding up and finishing off to be done! In English we have been working really hard on our story endings from our text Son of the circus. The children took the story of 2 characters and made the decision whether the boys will become friends or enemies and have written stories around that. As always they are really quite special! In art this week, the children made the most creative faces based on Pablo Picasso using cardboard following the abstract style.

Again, they worked very hard and had some great fun making them! In our history learning, we found out about inventions in Victorian times – did you know that Britain had different times until the Victorian train timetable meant that time needed to be standardised across the whole country? That blew our minds when we found out! We also learned that stamps, the telephone and jelly babies were invented during the Victorian era. Next week, we are looking forward to some learning reviews and end of term fun!

Class 3

As we reach the end of another busy year, Class 3 have been putting the finishing touches to some fantastic Victorian projects. Throughout the week, pupils have completed high-quality reports on a range of topics, including crime and punishment, child labour and the British Empire, demonstrating just how much they have learned during the topic. Alongside their writing, several children have produced outstanding 3D models to complement their work. Meanwhile, the Year 6 pupils have been working incredibly hard rehearsing for their leavers' performance, and it is wonderful to see everything coming together as their final days approach. In Computing, the class explored the difference between random and linear search algorithms, comparing how each method can be used to find information efficiently. Our History lessons have also examined the 'Scramble for Africa', investigating how European nations competed to colonise large areas of the continent during the late nineteenth century.

This week in assembly the children heard all about this year's Summer Reading Challenge which opens tomorrow, 11th July.

You can sign up and take part in any Cornish library, and you get a free swim voucher just for signing up! From that point, you get prizes for every 2 books you read and return. You can choose to read anything! It could be a chapter book, comic, information book, it's completely your choice – even audiobooks count!

Last year we won a prize for how many school participants we had and we'd love to do even better this year – so geeeeeeeett reaaaaaading!

Reminders....

Class 1 will be doing 'Wild Tribe' this half term. Please can they bring spare clothes (that you don't mind getting dirty) into school in a bag on a Thursday.

- long trousers/tracksuit bottoms/leggings (no jeans)
- a long sleeved top or a jumper
- a waterproof jacket (waterproof trousers if you have them)
- old trainers or wellies
- gloves (advisable)

P.E. Days

On PE days your child needs to come to school in their PE kit. Remember if it is a bit on the chilly side, they can wear black tracksuit bottoms and their school jumper.

Class 1	Class 2	Class 3
Tuesday	Monday Friday	Monday Thursday

As a school we purchase licences for TTRS and Spelling Shed to support the children with vital aspects of their learning. Each week when we look at engagement levels, there are the consistent few who have excellent stats, but there are far too many who do not engage at all.

Practising and learning spelling patterns are crucial for building the foundations for reading fluency, vocabulary development and comprehension. It also reduces the cognitive load for writing composition.

It is a similar message for practising and learning times tables. Building those secure foundations enable the children to access more challenging aspects of maths, boosts mental arithmetic and confidence in problem-solving.

Please can you support your child to access this aspect of their home learning each week.

If you do not have your log in for Spelling Shed or TT Rockstars (Y1-Y6) please let the office know and they will send it to you.

Calling all budding musicians!! Our instrumental teacher, Mr Jane, will have spaces for new students from September wishing to learn piano, keyboard, guitar or violin. Music is a gift that can last a lifetime and can benefit children in ways beyond learning the instrument itself, for example boosting self-esteem and confidence. Lessons are always fun and relaxed and students will have the option to work towards music grades.

If you would like your child to take advantage of these amazing lessons, please contact Mr Jane directly on the following email address djkeyboards1@btinternet.com.

Liz runs a tuck shop every Tuesday breaktime. It is £1 for a drink and a snack; your child will need to bring the money in with them on the day.

Sun Safe...

We need to remember to keep ourselves safe in the sun. On hot days please remember to put your sun cream on before school, bring your sunhat into school and make sure you have a bottle of water with you!

Organised by Mrs Plumb

Open from **7:45am** every school day

Breakfast included (please note that breakfast is served until 8:15am)
£3.50 per child
